

PUBLIC NOTICE

Tennessee Technological University has applied to the Tennessee Air Pollution Control Division (TAPCD) for [renewal of a major source operating permit](#) subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). However, it should be noted that a portion of this plant was not included in the previous Title V permit, but has already been issued a construction permit (with public notification). A major source (Title V) operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations.

The applicant is Tennessee Technological University with a site address of 845 North Dixie Avenue, Cookeville, Tennessee 38501-2685. They seek to obtain a major source operating permit for operation of their four coal, natural gas, and/or fuel oil boilers and four standby diesel-driven generators. The four standby diesel-driven generators were not previously included on the Title V permit, but did undergo public notice with the construction permit for these units was issued. However, it should be noted that this facility has current state operating permits.

A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Division of Air Pollution Control
Cookeville Environmental Field Office
1221 South Willow Avenue
Cookeville, TN 38501

and

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
9th Floor, L & C Annex
401 Church Street
Nashville, TN 37243-1531

Also, if you require a copy of the draft permit it is available electronically by accessing the TDEC internet site located at:

<http://tn.gov/environment/apc/ppo/>

Interested parties are invited to review these materials and comment. In addition, a public hearing may be requested at which written or oral presentations may be made. To be considered, written comments or requests for a public hearing must be made within thirty (30) days of the date of this notice and should be addressed to **Mr. Barry R Stephens, P.E., Director, Air Pollution Control Division, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531**. Questions concerning the source(s) may be addressed to Mr. Robert Benjamin at the same address or by calling (615) 532-0564 or (615)-532-0554. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the thirty (30) day public comment period to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 11th Floor, L & C Tower, 401 Church Street, Nashville, TN 37243, (615) 532-0059. Hearing impaired callers may use the Tennessee Relay Service, 1 (800) 848-0298.
